RE: Tuesday's Breakfast with HPSCI re NFIP

1. Per [] tomorrow morning's breakfast is intended to continue the dialogue with Hamilton, et. al., re the problems we would face if pressures to reduce the defense budget were applied proportionately to the NFIP.

2. The IC Staff does not intend to provide specific talking points; rather, they feel your 10 April letter to Hamilton (with backup papers) is all you will need.

3. In this folder you will find:

-- Hamilton's 25 March letter to you (left side);

-- Your 10 April response (right side).
